**Geresnė pagalba liudytojams ir nusikaltimų aukoms teismo procese, įskaitant saugumo teismų pastatuose sustiprinimą**

**Projekto Nr. NOR-LT13-NTA-01-TF-01-003**

Projekto biudžetas – 1.813.490,00 Eur

Projekto įgyvendinimo laikotarpis: 2013 m. gruodžio 19 d. – 2016 m. balandžio 30 d.

Projekto esmė – didinti psichologinį komfortą ir paramą liudytojams bei nusikaltimo aukoms teismo proceso metu ir užtikrinti saugumą Lietuvos teismų pastatuose. Įgyvendinant projektą bus atlikta nusikaltimo aukų ir liudytojų specialiųjų poreikių analizė ir nustatytas specialios profesionalios psichologų pagalbos poreikis teismuose. Projekto metu vyks mokymai ir bus išleistas mokomasis leidinys apie elgesį su liudytojais ir nusikaltimo aukomis, sukurta virtuali teismo posėdžių salė, leisianti liudytojams bei nusikaltimo aukoms geriau suprasti teismo procesą. Teismų pastatai bus aprūpinti techninėmis saugumo priemonėmis, o teismų darbuotojai apmokyti jomis naudotis. Įgyvendinant šį projektą bus bendradarbiaujama su nevyriausybine organizacija „Lietuvos Caritas“.

**Witnesses and crime victim's support and security in courts**

**Project number: NOR-LT13-NTA-01-TF-01-003**

Project budget – 1.813.490,00 Eur

Project implementation period: 19 December 2013 – 30 April 2016.

This Project is aimed at strengthening assistance to witnesses and crime victims during court proceedings, including the increase of security in court buildings. The Project activities are oriented towards the following two directions – enhancement of psychological comfort and security during court proceedings and ensuring technical security in Lithuanian courts. The Project activities are interrelated as the results of one activity determine the commencement of another activity. To achieve the aim of the Project, comprehensive efforts, such as sharing best practices on the basis of international cooperation, preparing and publishing the methodological publication under the Project intended for court staff members who work with technical security equipment, preparing and publishing the methodological publication intended for the formation of adequate behaviour with vulnerable groups, preparing and publishing an information booklet containing important information, and distributing these booklets through the Project partner working with people from vulnerable groups, are made. Moreover, during the implementation of the Project, not only technical equipment ensuring security in court buildings will be acquired but also a public virtual court room will be designed using modern information technologies, which will enable to view the room where court proceedings are held and to understand the course of proceedings. Furthermore, there is the training planned to be provided to the NCA and court representatives during the implementation of the Project, in which the capacities of court staff members to behave adequately and to work directly with crime victims and witnesses will be developed.
